Bangkit Academy Distinction Graduate (2024) | Fullstack Developer  
| Information System Student | Cloud Computing Enthusiast |  
Passionate About Web Development.

Batam, Kepulauan Riau, Indonesia

## Ringkasan

Hello! I'm Chrystalio, a 21-year-old Information System student and full-time programmer based in Batam, Indonesia. I specialize in website development using PHP, Bootstrap, Tailwind CSS, JavaScript, and Laravel.

I recently graduated with distinction from Bangkit Academy, where I focused on cloud computing technologies, enhancing my expertise in building scalable web applications and cloud-based solutions.

I'm passionate about tackling new challenges and continuously expanding my knowledge in programming and emerging technologies. Let's connect—I'm eager to explore new opportunities and collaborations in the tech industry!
